DEDICATION

To you, Mr. Ivan C. McGee, we dedicate this book.

We feel that this may, in part, repay you for the time and effort that you have put forth in making our Vocational Agriculture Department one of the outstanding in the county.

We wish you much success in training and developing the Future Farmers of America.

In our schools we would like to believe that the students keep apace with the everincreasing tempo of today's world. We sincerely hope that our students have had the background to equip themselves with a more mature outlook on life and its many problems. It is, of course, quite difficult to measure these qualities and quantities immediately, inasmuch, as our products, unlike those of the market, must be measured years later in terms of service, contribution to community, home, and church.

We are certain that our product will not be found wanting when the time for final measurements arrives.

Fred W. Herlinger, *Supervising Principal*

ADMINISTRATION

Bertrand R. Hover, *Principal*

In taking this opportunity to wish each and every one of you success and good fortune in the days and years to come, it should be pointed out that quite likely success and good fortune will be your lot. You have shown those qualities of co-operation, initiative, enthusiasm, and intellectual curiosity which should insure your success independent of good fortune.

September, 1956--This was the year 67 Juniors sponsored a Prom and Banquet.

We earned our money by selling Salt Water Taffy, a paper and scrap drive, selling homemade candy, etc.

The Junior Play was presented in April. It consisted of a comedy and a mystery. The first play was "Egad, What A Cad" and the second was "According to Doyle".

The Prom and Banquet were held on May 4th. The theme this year was "Evening in Paris". The music was by the Blue Knights. The Prom lasted until 12:00; then the Prom to Dawn started. The Class officers were:

September, 1957--We made it at last, we are Seniors now. Our numbers have been reduced a little to 63. The Seniors sponsored a Liberty Dance which was very profitable, and we also sold pens.

The Senior Play was held on December 6 and 7. It was a three-act play called "The Midnight Son".

The senior trip was on April 26. This trip was to Niagara Falls and to Buffalo, New York. All the Seniors enjoyed themselves very much and wished it had never ended.

The Prom and Banquet were held on May 10. The theme was "Harbor Lights". Baccalaureate was held on May 19 and Commencement was held on May 22. The officers were:

ACTIVITIES

STUDENT COUNCIL

Mr. Boylan and Mr. Biemer

Governor.....Dale Steadman
Lt. Governor.....Joanne Troutner
Treasurer.....Jack Ross
Secretary.....Elaine Gilson

The student Council is the student government of the school. A Governor and Lt. Governor are elected every spring by the student body of the Junior-Senior High. Each home room elects a representative giving the council a total number of 12 representatives plus the Governor and Lt. Governor.

The duty of the Council is to be a representative body to better the communication between the school faculty and the student body. The council also attempts to be of service to the school in any way the faculty or administration may see fit.

During the year 1956-57, the council earned money by having an eating concession at each home football game. As a service to the school, book covers were sold and programs were distributed at each football game. The money earned was used to purchase two school bulletin boards now placed in the upper hall of the high school. A set of chimes was also purchased to be used for introducing announcements over the P.A. system.

Twenty-four head of purebred dairy animals were exhibited at the Crawford County Fair and Region V F.F.A. Dairy Show by the chapter. These animals were owned by ten boys from the organization.

This chapter had eight of the thirteen head of cattle eligible for the state show. Five of these eight were entered. Bill Alexander took Grand Champion in the Jersey Breed and Dale Steadman was State Grand Champion Showman.

COMMERCIAL CLUB

Mrs. Miller

President.....Virginia DuPont
Vice President...Lee Hunter
Secretary.....Elaine Gilson
Treasurer.....Judy Dempsey
Game Leader.....Marlene Doud
Song Leader.....Elaine Saeger

The Commercial Club holds annually one or two rummage and bake sales. The proceeds from these are used for an educational trip to offices, banks, business colleges, and other points of interest.

Parties are held occasionally for the members. This includes initiation, a gift exchange at Christmas, etc.

Meetings are held in the Commercial Room every other week when the Group II Clubs meet. After the business part of the meeting has been taken care of, games or singing usually conclude the period.

PROJECTION CLUB

Mr. Biemer

This group is made up of students from the ninth through the twelfth grades who are interested in audio-work. The club carries on the duties and responsibilities of projecting the educational motion pictures and other audio-visual aids in the classroom. There are no officers.

We are members of the School Projectionist Club of America, with headquarters in Pennsylvania State University.

CHORUS

Mr. Rutherford

This year found the Chorus busy with a variety of activities. The first public appearance was at the November P.T.A. meeting when the group co-operated with the first grade, elementary orchestra, and high school band in presenting a program entitled "Music and the Child's Education".

Christmas caroling has become an annual event for the Chorus. A sleigh ride had been planned in conjunction with the caroling but was cancelled due to a lack of snow. However, Linda Weingard invited the members to her home for refreshments. A good time was enjoyed by all. Several selections were sung to the High School during the Christmas assembly.

In January, Carol Tittlemore, Barbara Ross, and Floyd Brown represented Townville in the Northwest District Chorus at Cochran. The Music Boosters furnished a bus to the Saturday evening concert and quite a number attended as spectators.

March found the Chorus busy with a total of three concerts and innumerable rehearsals. The Randolph-East Mead and Townville schools combined for concerts. For the third concert the Chorus played host to the area church choirs and with them gave a program of religious music during Lent.

The Baccalaureate service in May brought to a close a busy but very successful year for the Townville Area Mixed Chorus.

HIGH SCHOOL BAND

Mr. Rutherford

The thirty five members of the Band were the proud recipients of new uniforms this year. The uniforms are blue trousers with gold jackets. Performances were given at all the football games, and did a variety of humorous and entertaining half-time shows in addition to adding to the enthusiasm of the cheering section.

A number of concerts were presented during the year. The first was an open-air concert given in Scheide Park in Titusville to help celebrate the Oil Festival. Another concert was given in Townville to give the public an opportunity to see the new uniforms. A P.T.A. meeting in October, several assemblies, and Commencement were other times the Band performed.

Two highlights of the year were the combined concerts with Randolph-East Mead and the two with Cambridge Springs.

In addition to marching for the football games the Band also marched in the Meadville Hallowe'en Parade and the Memorial Day Parades in Townville and Titusville.

The Taylor Stand Community Building was rented for a party in the late fall. In February many members traveled to Girard to hear the Northwest District Band in which Ruth Wheelock and Gary Beebower were participating.

Looking back, 1956-57 can certainly be termed as both succesful and enjoyable.

DRAMATICS CLUB

Miss Mills

Mr. Sargent

President.....Yvonne Findlay
Vice President..Louise Dille
Secretary.....Macie Humes
Treasurer.....Harold Gillette

The Dramatics Club is a new-comer on the scene of extra-curricular activities at Townville High School. Since the Club was formed in the fall of 1956, this is only the second year of organized activity. This year the Club is made up of members from grades 8-10 who are interested in learning the art of performing before an audience. This year Charades were used to initiate the members into appearing before the group; then several groups were formed, each to present a varied program.

NATURE CLUB

Mr. Murphy

President.....Frank Hart
Vice President...Sandy Heath
Secretary.....Russell Smith
Treasurer.....Joyce Gillette

The club members have been participating in our meetings. We have had instruction on how to use a gun and how to use traps and set them. We talked about the colors and habits of birds and animals. A few movies were shown on different subjects. We sponsored a hunting contest and gave a prize to the person having the greatest number of points. The prize of a hunting knife went to Frank Hart having thirty-three points.

"There can be no great smoke arise, but what there must be some fire."

GAME CLUB

Mrs. Murphy

The Game Club is a newly formed club this year for Seventh and Eighth Graders. The main purpose of it is to help them get better acquainted. The boys and girls bring their own games, but next year we expect to organize and have dues to buy our own.

KNITTING CLUB

Mrs. Murphy

President.....DeAn Werling
Vice President..Sheila Toohey
Secretary.....Patty Corliss
Reporter.....Dorothy Gillette

The Knitting Club exhibited their knitting at the Fashion Show during the April P. T. A. Meeting. On March 19, 1957 our advisor, Mrs. Murphy, gave a demonstration on washing and blocking our knitting.

This year we made stoles, scarves, mittens, socks, pony tail hats, and sweaters, of which we are very proud.

Our motto is, "Knitters never quit, and quitters never knit."

Our club colors, are red and white.

ACROBATIC CLUB

Mrs. Kline

The Acrobatic Club was organized for those students who were actively interested in stunts and tumbling. General objective of such a group are to develop skillful use of the body in co-ordination strength, balance and agility: to develop qualities that make for a better adjusted individual and to develop a spirit of play and appreciation for the recreational values of physical accomplishments.

Emily Huff is President of the group and there are thirty students in the group.

JUNIOR AGRICULTURE CLUB

Mr. McGee

The Junior Agriculture Club is made up of boys of the seventh and eighth grades who are planning on taking the vocational course in high school.
